Day 1 (21 June). DRIVE TO KHUGNU KHAN NATURAL RESERVE (L D)

In the morning at 09:00AM English-speaking tour guide will pick you up from hotel and start driving to the mountain of Khugnu Khan which is made of granites of Paleozoic age. It is also a national Reserve that covers 469.9 square kilometers of land. The taiga and steppe plants grow in this area, represents three different natural zones. Nearby, sand dune of Mongol Els lies with the length of 74 kilometers. On the way to natural reserve visit nomadic family, and get familiarized with the life of nomadic families taste mare's fermented milk and milk products. Picnic lunch on the way. Dinner and overnight at the tourist Ger camp near sand dunes. In the evening camel riding opportunities optimal.

Day 2(22 June). DRIVE TO KHARKHORIN & ERDENEZUU MONASTERY (B L D)

At 09:00AM check out and continue the trip to the Kharkhorum city ruin, was established in 1220. It was the capital of Mongolia for 140 years and the capital of Mongolian Great Empire for 32 years. The city was destroyed soldiers of Min State in XIV century. The Erdenezuu Monastery was the first Buddhist monastery in Mongolia, which was erected on the initiative of Avtai Sain Khan in 1585 at Kharkhorum, the 13th century capital city of Mongolia. The Museum of the monastery has unique exhibits such as the cast god images, clothes, and musical instruments. The Erdenezuu monastery and Kharkhorum city ruin were registered by UNESCO in world heritage in 1996. Explore the area. In the evening folk concert. Lunch, dinner and overnight at the tourist Ger camp.

Day 3(23 June). KHUSTAI NATIONAL PARK (B L D)

At 09:00AM check out and take a journey to the Khustai national park, check in the Ger tourist camp at the NP border. In the afternoon horse riding opportunities optimal. At 06:00PM drive into the national park and see Prejiwalski's wild horses /Takhi/ in the nature plus bird watching and flower watching opportunities, it took its name from the scientist who first discovered this group of Asian horse at the end of 19th century. The Takhi is probably the most recognized and powerful symbol of Mongolia's diverse and unique wildlife. Bird watching Picnic lunch on the way. Overnight at the tourist Ger camp.
